Dear Grade Eight Parents

APPS REQUIRED FOR DEVICES FOR 2019

In order to assist us in streamlining the integration of your daughter into high school specifically relating to her device, we are requesting parents to please make sure that the following APPS are installed from either the Google Play store or the Apple store depending on which device she has:

- MiEbooks
- Cyberoam
- Sora
- D6 Communicator

With the exception of the D6, she does not need to setup any of these apps, but simply needs to install them.

Please also ensure that she has an email account setup on her device.

For any queries on the above, please contact Mrs Moreton on jenee@cghs.co.za.

Kind regards

Mrs J Moreton
