

Collegiate Girls' High School

MUSIC CENTRE – A SHARED LEGACY

A Home for Music, Built by Its Community

Music has always been at the heart of school life – a place where confidence grows, friendships form, and talent is nurtured. For many learners, it is where they find their voice and sense of belonging.

The proposed Music Centre will create a dedicated space where future generations can continue to experience the same joy, growth, and connection through music.

This is more than a building – it is an investment in the life of the school and in the young people who will pass through it.

“This is more than a building – it is a shared legacy”

WHY THIS MATTERS

The Music Centre will:

- ♪ Provide learners with a purpose-built environment for music education, rehearsal, and intimate performances
- ♪ Create opportunities for excellence in both individual and ensemble work
- ♪ Strengthen the cultural life of the school
- ♪ Enable performances and events that bring the community together

For current learners, it will enrich their daily experience.

For alumnae, it represents a continuation of a tradition they were once part of.

HOW YOU CAN BE PART OF THIS

We invite alumnae, families, and friends of the school to contribute in a way that is meaningful to them.

Opportunities to give include:

- ♪ Once-off donations
- ♪ Contributions pledged over time
- ♪ Family or group contributions
- ♪ Sponsorship of specific spaces or features within the Music Centre

Every contribution, regardless of size, helps move the project forward.

WAYS TO GIVE

We invite every member of our community to be part of this shared effort and to contribute at a level that is meaningful to them.

Suggested giving levels include:

- ♪ Supporting Donor – up to R5,000
- ♪ Community Patron – R5,000 to R10,000
- ♪ Music Centre Patron – R10,000 to R25,000
- ♪ Lead Donor – R25,000 and above

Opportunities for named contributions or sponsorship of specific spaces are also available.

Each contribution plays a meaningful role in bringing this vision to life.

“Every contribution becomes part of a legacy that will be felt for generations.”

This shared legacy is reflected in how we recognise and honour every contribution.

DONOR RECOGNITION

We are deeply grateful to the community whose generosity will bring the Music Centre to life. All contributions will be acknowledged as part of a permanent donor recognition installation within the building, thoughtfully designed to reflect both the collective spirit of the school community and the lasting impact of individual gifts.

Recognition will be structured across four levels – Supporting Donors, Community Patrons, Music Centre Patrons, and Lead Donors – ensuring that every contribution is honoured with dignity and care. Opportunities for named spaces will be available for significant contributions, while all donors will be recognised as part of this shared legacy.

The installation will stand as a lasting tribute to those who have helped create a home for music for generations to come.

A SHARED LEGACY

This project provides an opportunity to be part of something enduring.

Each contribution becomes part of the story of the Music Centre, a story that will continue to unfold through the lives of the learners who use this space in the years ahead.

The Music Centre is not just for today's learners. It is for:

- ♪ Those who walked these corridors before
- ♪ Those currently at the school
- ♪ Those who will follow in years to come

It is a shared investment in continuity, tradition, and growth.

JOIN US

We invite you to join us in bringing this vision to life – creating a space where music, creativity, and community will flourish for generations to come. Through your support, this shared legacy will continue to grow, shaped by those who understand the role music plays in the life of this school.
