In addition to the Senior Certificate, the following are the *minimum* basic requirements for admission to a higher education institution for further study, as documented in the Government Gazette, 11 July 2008 :

### **Higher Certificate**

The minimum admission requirement is a National Senior Certificate (NSC) with a minimum of 30% in the language of learning and teaching of the higher education institution as certified by the Council for General and Further Education and Training (UMALUSI).

Institutional and programme needs may require appropriate combinations of recognized NSC subjects and levels of achievement. For example, an institution may determine that a Higher Certificate in Architectural Design requires in addition to the NSC a specified level of attainment in Design and an associated recognized subject.

### **Diploma**

The minimum admission requirement is a National Senior Certificate (NSC) with a minimum of 30% in the language of learning and teaching of the higher education institution as certified by Umalusi, coupled with an achievement rating of 3 (Moderate Achievement, 40-49%) or better in four NSC 20-credit subjects.

Institutional and programme needs may require appropriate combinations of recognized NSC subjects and levels of achievement. For example, a Diploma in Diametrics might require a pass at a prescribed level in Mathematics or Information Technology.

### **Bachelor's Degree**

The minimum admission requirement is a National Senior Certificate (NSC) with a minimum of 30% in the language of learning and teaching of the higher education institution as certified by Umalusi, coupled with an achievement rating of 4 (Adequate Achievement, 50-59%) or better in four subjects.
